A Sale of Factory Ends is a Bargain Opportunity you cannot afford to miss. It offers values in Bright, Fresh, Clean, Stylish Merchandise, just out of the factory, which can be bought in no other way or at no other time, and at no where near the prices named in this Factory End Sale.

EACH year about this time, this Annual Factory End Sale takes place. A Factory End Sale is just what its name implies—a sale of short lengths, full pieces and surplus stocks of manufacturers. Every manufacturer has these lots. But they are so desirable it is hard to get them. It took several months to arrange for and collect these Factory Ends, but we have secured the best and largest lot you ever saw.

THE Factory End Sale reaches every nook and corner of the store. Walk down any aisle, or by any counter, you'll find Factory End Bargains that will gladden the hearts of any person—man or woman. They are BARGAINS in the best sense of the word. This advertisement can't begin to cover the magnitude and scope of this value giving. You must come to the store and see and examine the goods themselves to thoroughly appreciate the values.
